

President

Salzburg, 20 January 2021

Dear members of the European Academy of Sciences and Arts,

at first, let me thank all applicants who followed our call for the position of a Dean of the Academy's classes and submitted a short CV and a short program. The Presidium selected the Dean for each classes by such roster of applicants, but also considered the expertise and the distribution of countries in our European Academy with international members. The Presidium congratulates the following colleagues for their appointment as Deans and members of the new Senate:

Class I (Humanities): Andreas Önnersfors (Sweden)

Class II (Medicine): Dusan Suput (Slovenia)

Class III (Arts): Violetta Dinescu (Romania/Germany)

Class IV (Natural Sciences): Ioannis Liritzis (Greece)

Class V (Social Sciences, Law & Economics): Kurt Schmoller (Austria)

Class VI (Technical & Environmental Sciences): Sergio Orlandi (France)

Class VII (World Religions): Mariano Delgado (Switzerland)

Class VIII (Corporate & Public Governance): N.N.

With kind regards

Prof. Dr. Klaus Mainzer
President
